To: Mr. Roger Farmer & The Buffalo Region Management Team

Dear Roger & Gang:

I just wanted to thank you and all the people who contributed to the gift of cyrstal that was presented to me in Syracuse. It was very thoughtful, and I know it will be cherished for a long time. I will always remember the fine accomplishments that we've been able to achieve under your guidance, and the strong responses we've always been able to depend upon from the strong management and sales force teams that everyone collectively has assembled in the Buffalo Region.

The new challenges that I face with my position will certainly allow me to keep in touch
